Communication

Group Work

DEPLOYMENT LINKS

I had deployed more than 50 projects; some of them are as follow:

Mini Games (Collection of Memory Games) – (srigameworld.ccbp.tech)

- Developed a responsive Mini Games app with various memory games using React.js and JavaScript.
- Implemented UI design using Figma mockups and React Router for navigation.

Nxt Trendz (ECommerce Clone - Amazon, Flipkart) – (srithanxttrenz.ccbp.tech)

- Created an e-commerce platform resembling Amazon and Flipkart using React.js and Bootstrap.
- Login Details:
 - User name: praneetha
 - Password:praneetha@2021

Jobby App – (jobeee.ccbp.tech)

- Developed a comprehensive job search solution with user authentication and protected routes.

Todo List :

- Created a todo list which includes Employees Data
- User can dynamically add , edit and delete the Data
- Implemented backend Code using Node.js and Express.js
- Completely Responsive

Work Experience

- Web Developer
- Backend developer *

Date - Present

ACHEIVEMENTS

- I achieved some gifts from Nxtwave for my consistency. As this is not my major achievement I am mentioning it here because, consistency is the major tool to gain the success.
- Received numerous first prizes in seminars for exceptional communication skills.
- Awarded first prize for Model Presentation on XR Technology after excelling through multiple rounds of competition, showcasing expertise and innovation.

Personal Details:

Date of Birth: October 10, 2004

Languages: Telugu (Native), English (Fluent)

Career Objectives:

Enthusiastic and driven Full-stack Developer with a passion for prompt engineering and augmented reality. Actively seeking opportunities to leverage my skills and knowledge in a dynamic work environment.

Recent Endeavor:

Recently initiated a YouTube channel, "[Coding with Sritha](#)," dedicated to improving communication skills through engaging technology content.

Completed Internship at FARMEXA Agri Services Pvt. Ltd as a Webdeveloper
